Mrs. Stack's Helpful Notes:

1. Everything in **blue** is a hyperlink. If you right click on it, the option to open link will be available and you will want to click on "open link".
2. You can structure your daily learning in an order that works for your child. New assignments will be available on Mondays. Please make sure to incorporate the Language Arts and Math into your daily distance learning program.
3. IF your child receives services from Mrs. Castro or Mrs. Deck, please be sure they refer to their links at the top of this page.
4. **If your child wants to go ahead on assignments and complete all of the Good Morning Sunshine in one day for example they can do that. It is up to them how they want to pace themselves. If they want to finish all the work in two days instead of five days, that works too.**

While you are reading your independent reading book this week utilize this reading challenge game. Post your pics to our general TEAMS site.
